### Instructions for downloading files:

1. Click [Link](#) for the file you want. This takes you to the google file page.
2. In the upper right corner, click the gray **Download (x MB)** button.
3. Save the mp3 file to your computer wherever you store your music files.

### Notes:

\* Each voice part has 1 *Fern Hill* file and 6 *Mass in E Flat* files, so be sure to download 7 files in total.

\* Soprano, Tenor, and Bass are split in some of the *Mass in E Flat* movements, so please choose the part you will be singing.

Huge thanks to Jamie Hillman and Larry Philbrick for making these practice files available!
